

THE NEXT LEVEL IN DIVE SAFETY

HIRA LEVEL II

HAZARD IDENTIFICATION AND RISK ASSESSMENT
THE ADVANCED STANDARD IN SAFETY

FIRST AID TRAINING, EQUIPMENT, & INSTRUCTORS

Our staff holds up-to-date DFA Pro certifications, we have in-house first aid instructors, and we have AEDs in all areas of our operation.

STANDARD OPERATING PROCEDURES

We have SOPs for maintenance of safety equipment and denial of service based on fitness to dive.

EMERGENCY ACTION PLANS

We have EAPs for confined water, non boat and boat operations, vessel emergencies, gas fill operations, and vehicle operations.

EMERGENCY SIMULATIONS

Our business regularly practices simulated emergencies and improves our EAPs based on the results.

ENVIRONMENTAL SUSTAINABILITY PLAN

Our ESP addresses protecting the environment, managing waste, and educating clients.
